Your favor 3d replying to mine of 2d inst rec'd & noted. The "Medal of Honor" given and "by Congress" was given for gallant service during the "War of the rebellion" was authorized by Congress to be struck by the U S Mint during years 1862 to 1864 The Medal is something like the G.A.R. badge, has a female figure bearing shield, another figure reclining from the other. If necessary I can send the "Medal" to satisfy the desired information but fear to trust it to mail as it is highly prized.

Sir:

Your favor 3d replying to mine of 2d inst. rec’d & noted.

The “medal of honor” given me “by Congress” was given for gallant service during the “War of the Rebellion” was authorized by Congress (to be struck by the U.S. Mint) during years 1862 to 1864. The medal is something like the G.A.R. badge, has a female figure bearing shield, another figure retreating from the other. If necessary I can send the “medal” to gain the desired information but fear to trust it to mail as it is highly prized.

Respectfully yours,
O.W. Bennett
